4000 Islands surrounding

DETAIL ITINERARY:

After breakfast, we enjoy a cruise venturing into the widest point of the Mekong River where thousands of islets become visible in dry season, giving this area a lovely name: **Si Phan Done**. Along the way, we stop at the **Liphi waterfalls**, one of the most beautiful waterfalls marking the end of Lao border to Cambodia, also known as the Samphamith. We also visit the **fishing village** of Ban Done Khone. On return, we take a short drive to the Lao – Cambodia border at **Weukham**, expect to be encaptured by the sight of **Khone Phapheng**, which boasts South East Asia's biggest waterfall, known as the Niagara of the east. If we are lucky, we may even see the rare **freshwater Irrawaddy** Mekong dolphin at Ban Hang Khone.
